To Whom It May Concern,

RE: REFERENCE FOR SUNBUILD

Peddle Thorp recently completed the \$ 1.6M Information Technology Building at Taminmin High School, a project tendered for, and won by Sunbuild.

The project was completed under budget, and more than a month ahead of schedule. Both our Client, and ourselves were suitably impressed with Sunbuild's performance throughout the project, and note specific points of interest, which included an organized and professional approach, teamwork and cooperation, safety, as well as promptness in addressing minor defects at the end of the project.

Peddle Thorp Architects were impressed with Sunbuild's overall attitude during the project and will be subsequently including them in future works for tendering.

Yours faithfully,

Mark Bell
Director
PEDDLE THORP
